Diners, Drive-ins & Dives ~ January 2009

No new news yet, but I know the next two months are going to FLY BY. From what I have been told, the producers were so impressed by all the things that make Rocco's, well, Rocco's .. from the location, quaintness, slight 'dive' character, neighborhood 'feel', local San Francisco memorabilia adorning the walls, and ESPECIALLY the FOOD .. they have decided that the

segment featuring ROCCO'S CAFE on Diners, Drive-ins & Dives will air in the FIRST SLOT on the FIRST SHOW of the upcoming NEW SEASON in JANUARY 2009!! Don't forget to tune into the Food Network Channel to watch Diners, Drive-ins & Dives MONDAYS & FRIDAYS at 10 PM, and SUNDAYS at 3 PM

Girl Talk ~ Mon Oct 27 - Tue Oct 28 at The Fillmore

"Girl Talk is the pseudonym of DJ and remixer Greg Gillis. A Pittsburgh native who works as a biomedical research engineer during the day, Gillis channels his other creative energies into Girl Talk, whose sample-based dance tracks have made him the John Oswald or Christian Marclay of the mash-up generation: each of his songs are built on recognizable samples of recent hit singles, recontextualized into an entirely new piece. Not just a geeky studio boffin, Gillis is also a manic, intense live performer known for his high-speed exhortations into the mic and tendency to strip to his underwear on-stage while dancing circles around his laptop and DJ setup."
